US REGISTRY  
\* FILE Reports 5

22 January 1980

MEMORANDUM FOR: Chief, Policy and Plans Group

FROM:   
Deputy Director of Security (PTOS)

SUBJECT: Entries for the DDA Log  
17 - 23 January 1980 (U)

1. Three Information Systems Security Group representatives are in California during the period 20 January through 1 February for the purpose of conducting computer security surveys at various contractor sites. Another representative is in Albuquerque during the same period as the consulting Agency representative for a Department of Energy computer project. (U/AIUO)

2. On 18 January, an Information Systems Security Group representative participated in a meeting which outlined the accelerated schedule for implementing the CRAFT System. This Office is now reviewing and reordering security requirements which will be included in the CRAFT System. (U/AIUO)

3. On 22 January, the Chief, Information Systems Security Group, met with representatives from OD&E, COMSEC and an industrial contractor firm to outline the security requirements which must be met to permit the contractor to process Agency classified data in a multi-compartmented computer processing mode. (U/AIUO)
